2. After watching the video answer these questions:
 - What is "ebola"?

- What does Bill Gates suggest people could have done (in the past) to prevent or fight “ebola”?
- What were the mistakes of the previous Virus?
- Why didn’t the Virus (“ebola”) spread?
- How is “ebola” transmitted? And the “coronavirus”?
- What is the OMS?
- Provide an example of a virus that was spread through the air in the past
- According to Bill Gates, what are the important things to deal with an Epidemic?
- Why does this epidemic affect local economy?
- What can we learn from the Ebola?
- What do you know about the Corona Virus?
- What do you think after watching this video?
- Now take some minutes to reflect on this... If you were the President of Argentina, what measures would you consider in this situation? Mention at least three.
